

# Science Cadre

*cordially invites you to  
become a part of the learning, building, and collaborative Regional Science  
Cadre in the Northern Kentucky Area*

## *Campbell County Training Center*

### *Dates*

*The Cadre will meet monthly to discuss lessons, assessments, and learning targets created and implemented. This is a great opportunity for science teachers K-8 to have rich discussions, share ideas and work together to understand and implement KCAS Science Standards.*

*All Meetings will take place at the Campbell County Training Center from  
3:30pm – 6pm unless otherwise noted above.*

*Please sign up through CIITS so that we have a total number but no one will be turned away, if you determine you can join at the last minute!*

*Any questions or concerns please contact Hallie Booth :
